- A merger is on its way!

Happy New Year to you all!

We hope that 2021 will prove to be a good and exciting year for all of us.

After 20 years in the industry, we have decided to merge the sister companies **Heipa ApS (CVR. no. 26000653)** and **QUICK FIRE ApS (CVR. no. 10151651)**, with the **Heipa ApS**, at the continuing company, but with **QUICKFIRE ApS (CVR. no. 26000653)** as the company name going forward.

The name and organizational changes will take place immediately, but legally the merger will only be completed later this year.

It is our aim to be an even stronger player in the Danish and global markets, to exploit the synergistic effects, and to increase sales to Danish and international customers, old and new.

It is important for us to stress that the owners and employees will remain the same, so you will continue to be served by the same member of staff, and you can call us on the same telephone number and write to us at the same email address.

On our new website: <http://www.quickfire.dk> you can view our full range of:

High-quality fireplace gloves in leather or cotton, fireplace parts, service boxes, grill grates, lighters, glass cleaner, hygrometers, and our high-quality fire starter product, which is produced at our own factory in Serbia.

Our entire **QUICKFIRE- team** looks forward to welcoming you as a customer of **QUICKFIRE ApS** and sees great potential in being able to expand your range and thus help pave the way for even greater business opportunities for you.

Please feel free to contact us at any time to find out more about the merger or if you have any questions about the above.

We look forward to the cooperation in 2021.

Best regards
QUICKFIRE ApS
